

PACS

When every second makes a difference.

Nuvodia Healthcare PACS, in partnership with Philips Healthcare, provides a fully-managed, cloud-based IntelliSpace PACS solution customized to meet your ever-changing needs. Partner with Nuvodia and optimize your workflow with the latest in PACS technology, including Adaptive Intelligence, Universal Data Management, Integrated Advanced Mammography, and Radiology Workspace operations management.

What's our service delivery model?

The Nuvodia Service Delivery Model is a way of delivering technology that creates alignment between our organization and yours. We succeed only when you succeed.

- Pay a simple, all-inclusive fixed fee per study.
- Solutions are engineered to meet a 99.99% uptime guarantee.
- End-User and IT Technical Support available 24x7x365.
- Hardware life-cycle management is included at no additional cost.
- Software Upgrades included in the fee per study, no surprise costs.

Move your PACS to the Cloud

PACS technology is ready for the cloud. Proven by more than 200 institutions, the Nuvodia Healthcare PACS solution delivers the latest technology, without the complexity and management of an on-premise solution. It's the best of both worlds - on-premise performance combined with all of the redundancy, performance, and system management you have come to expect from cloud solutions.

Integrate your PACS

Integrating solutions into a seamless workflow is critical in creating the most efficient workflows. Proven integrations with Epic, Meditech, IDS Abbadox, Nuance PowerScribe and more exist today. Let Nuvodia handle the complexities of HL7, FHIR, API's and Web Services and create the total Radiology Workflow solution you need.

A Trusted PACS Provider for your Future

Physician-owned, Nuvodia has provided hosted PACS services for more than 20 years. We've earned the trust of more than 200 organizations, who annually perform more than 2.5 million studies. Imaging technology is rapidly advancing; partnering with Nuvodia ensures you won't get left behind. Back by Philips Healthcare, our solutions continually evolve - from Adaptive Intelligence to Zero Footprint Viewers to Advanced Analytics - Nuvodia has the right solution for you.
